

EVENTS AND HAPPENINGS MENANDS SCHOOL

December 2011/January & February 2012

Presentation on Property Tax Levy Cap at December 12 Board Meeting

The Menands Board of Education meeting on Monday, December 12, will have a presentation on the property tax levy cap. The purpose of the presentation is to help all of our constituents understand the new law, how the law will affect the school district budget and its programs, and how it may affect property taxes.

Recess Reminder

Please be sure your child(ren) have hats, mittens, boots and a warm coat so that he/she may enjoy outdoor recess every day.

Arrival Reminder

The doors of Menands School open at 8:10 each morning. Students who are dropped off before 8:10 are not supervised and have to stand outside in weather that is often very cold. **As such, it is important that parents do not drop children off before 8:10.** The time for dropping students off for school is from 8:10 to 8:20, and we are making every effort to ensure that traffic in the drop off circle moves smoothly during that time period.
