

Important Information

Drop Off /Pick Up

Effective Monday December 10, work will begin on the elementary classroom addition that is part of the building project. **The work will impact the drop off & pick up loop.** Please be aware of the following: The loop will shift slightly and become narrower. There will be a designated pedestrian walkway. Please be diligent in observing and following directions on signs, and provided by staff members monitoring the parking area and directing traffic. Our combined efforts will ensure the safety of our students during arrival and dismissal. Your attention and cooperation is appreciated.
