District Goals

Allocating Current Expenses to the Grant Funding to Maximize General Fund Dollars & Generate Revenue

Consideration of Available Time Periods & Plan for Compensating Accordingly

Being Mindful of Maintaining Implemented Items Beyond the Grant Cycle if needed

District Goals

Student Achievement & Success: *We will provide the necessary support and opportunities for students to be successful and the resources for faculty and staff to develop curriculum and deliver instruction that meets the unique needs of our learners.*

Social Emotional Learning: *We are committed to the development of the whole child by engaging students, staff, and families in opportunities that foster a safe and supportive school community.*

Diversity & Equity: *We will create a community where all members feel valued. In recognition of our diverse school community, we will ensure for all an equitable education experience in which race, ethnicity, class, gender identity, sexuality and disability are not predictors of student success.*

Fiscal Responsibility: *We will responsibly manage district resources to maximize opportunities for students while advocating for increased funding to better support the needs of our school community.*

Of Importance:

Our District Goals and the needs identified Align with many of the Allowable Categories Funded Under CRRSA
