TRANSPORTATION SPECIFICATIONS
REQUEST FOR BID

ADDENDUM #1
February 13, 2020

Pursuant to the terms of the Transportation Specifications issued by the Menands Union Free School District with a due date of February 20, 2020, this Addendum will clarify or modify certain identified aspects of the Specifications and/or address questions that arose during the pre-bid meeting on February 6, 2020 and through the deadline date for final questions on February 12, 2020 at 3:00 PM. This Addendum is made a part of the contract and is enforceable under the same terms and conditions as the original Specifications.

Whenever a page number, section or appendix is referred to in the following modifications/clarifications, the page, section or appendix refers to the Transportation Specifications as issued by the Menands Union Free School District and as described above. In locations where paragraph numbers are identified, they are identified utilizing the paragraph symbol (¶) and the paragraph number refers to the full paragraphs on the designated page (not carry-over paragraphs from the previous page).

The items included in this Addendum are a result of a further review of the specifications by the District, questions posed at the prebid meeting, or questions submitted by Contractors.

- 1) The following firms/individuals attended the *voluntary* pre-bid meeting of February 6, 2020:
 - STA
 - Durham
 - Star & Strand
 - Birnie Bus Services

- 2) The District provided significant information at the prebid meeting on flash drives provided to each attendee. If a potential vendor was not able to attend the prebid meeting, a flash drive can be requested by contacting Dr. Maureen Long, Superintendent of Schools, Menands Union Free School District via email at mlong@menands.org.

- 3) As stated in the specifications, and as clarified at the prebid meeting, all bid submissions must include all required forms, including the Excel price pages. Although the Bidder is required to return the flash drive with the price pages completed, these pages must be printed and signed by the Bidder and submitted with the Bid. An electronic submission of the Bid is not permissible.
